Standard finish is mill 2B with all welds ground smooth and all surfaces hand rubbed with ScotchBrite pads.

Sanitary finishes of 150 to 240 grits are quoted on request.

These base prices are for mixing tanks on 3 wheels (Models TOW) or 4 wheels (models TO4W) for products weighing not more than 12 lbs/gal.

Mixing tanks with other dimensions are quoted on request. Most models are custom built and changes are welcome.
